**Workshops @  
schools**

**Partnerships**

# 2023 – SNJ partnership

## Highlights from our ongoing win-win partnership with SNJ in 2023

- 5 big events (2x DigiRallye, Schoulfoire, Makercamp, Makerfest)
- 3 weekly makerspace sessions @ Base1 (1000+ kids)
- 1 weekly Code Club session @ Forum (170+ kids)
- 1 makerspace coach training

# 2023 – CC International partnership

- 05/2023: Officially welcomed into the Raspberry Pi Foundation's worldwide network of partners, signature of a Growth Partner Agreement
- Benefits to CCLU:
  - Access to CCI resources & materials
  - Right to use the CC name & logo
  - Knowledge sharing with ~40 partners
- Trade-off of rights & obligations, e.g. safeguarding

# 2023 – André Losch Fondation partnership

- 7 months project for the creation of 3 new local code clubs
- 2 freelance coaches
- Initial period: 09/2023 – 04-07/2024
- 2 clubs in Esch: LB/DE/FR & EN/FR  
Actual start: 11/2023  
Convention with the Ville d'Esch (IT room & equipment)
- Dudelange club: awaiting clarification
